Tokyo Underworld: the Fast Times and Hard Life of an American Gangster in Japan (Paperback)

Reviews

Very useful to all of group of folks. I could possibly comprehended every little thing using this created e book. You wont truly feel monotony at anytime of your time (that’s what catalogs are for concerning in the event you ask me).

(Claire Carroll DVM)
TOKYO UNDERWORLD: THE FAST TIMES AND HARD LIFE OF AN AMERICAN GANGSTER IN JAPAN (PAPERBACK)

Random House USA Inc, United States, 2001. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English. A fascinating look at some fascinating people who show how democracy advances hand in hand with crime in Japan. -- Mario Puzo In this unorthodox chronicle of the rise of Japan, Inc., Robert Whiting, author of You Gotta Have Wa, gives us a fresh perspective on the economic miracle and near disaster that is modern Japan. Through the eyes of Nick Zappetti, a former GI, former black marketer, failed professional wrestler, bungling diamond thief who turned himself into "the Mafia boss of Tokyo and the king of Rappongi," we meet the players and the losers in the high-stakes game of postwar finance, politics, and criminal corruption in which he thrived. Here's the story of the Imperial Hotel diamond robbers, who attempted (and may have accomplished) the biggest heist in Tokyo's history. Here is Rikidozan, the professional wrestler who almost single-handedly revived Japanese pride, but whose own ethnicity had to be kept secret. And here is the story of the intimate relationships shared by Japan's ruling party, its financial combines, its ruthless criminal gangs, the CIA, American Big Business, and perhaps at least one presidential relative. Here is the underside of postwar Japan, which is only now coming to light.
